The SBDC National Information Clearinghouse ([SBDCNet](#)) is pleased to present our 2020 Productivity Webinar Series for SBDC Advisors! This year has given the idea of "do more with less" new meaning but there are still only 24 hours in a day. This beneficial series will teach you the productivity fundamentals, skills, techniques and tools necessary to be more productive with your time and effective in your work as an SBDC advisor. SBDCNet is continuing our partnership with renowned small business advocate and productivity guru [Ray Sidney-Smith of W3 Consulting](#) to bring this professional development series exclusively to the [nationwide SBDC advising community](#).

Our Productivity Webinar Series offers comprehensive and up-to-date [professional development](#) to enhance your daily productivity and empower you with the information and tools to truly "work smarter not harder." The series contains 4 modules; participation in all four sessions is strongly encouraged.

Registration for each of the 4 sessions must be completed at the individual links below using your official SBDC email address (this will be used to verify SBDC affiliation). Make sure to register for each of the 4 modules you would like to attend. On the morning of each session, you will receive access instructions with a WebEx link from SBDCNet Webinars. Remember to check your spam folder or email quarantine settings. If you have questions about the series or need assistance, please [Contact Us](#).
